Thrill Dancers Brittany Knowles, Marki Nutbrown, and Hillary Garvin who passed their audition for Ballet Jorgen's The Nutcracker and will be dancing with the professional ballet company in December! Special mentions for Samantha Benson and Kaitlyn Roddick, who also auditioned. While not making the final cut, both dancers gained valuable experience and now have their names on file with Ballet Jorgen for other possible auditions in the future!

Thrill Dancers Choreographers and Guest Teachers Tamara Freethy and Patrick Derry! Both will be dancing on board the Mariner of the Seas (Tamara) and the Rhapsody of the Seas (Patrick) for Royal Caribbean Cruise Lines. They will be performing all over the Caribbean, Mexico, Europe and Alaska! Thrill Dancers wishes them the best of luck!

Keep an eye out for Danny Lawn our Senior Competitive Choreographer, on So You Think You Can Dance Canada! He has been assisting Stacey Tookey with choreographing the contestants on the show. Danny will also be going to New York City to assist famed choreographer Tokyo!

In August, Brooke Boisvert, Anna Latham, Torri Weapenicappo, Sarah Curry and Jayde Lee, competed in the 1000 Islands Mall "Can You Dance Competition"! Anna, Brooke, and Jayde won their respective categories. All our dancers performed beautifully! We at Thrill Dancers are all very proud of them!
